

Super S® Premium Power Steering Fluid

TECHNICAL PRODUCT INFORMATION

Super S Premium Power Steering Fluid

Super S Premium Power Steering Fluid helps maintain efficiency, performance and the condition of power steering units. Super S Premium Power Steering Fluid is blended with a high quality base oil and a balanced additive package to provide oxidation stability, anti-foam, and seal/hose compatibility. Super S Premium Power Steering Fluid contains a unique friction modifier additive that has been shown to reduce power steering pump noise (squeal). Recommended for complete fluid replacement in passenger cars, including Honda and Acura, and light trucks.

FEATURES/ BENEFITS

- Formulated with high quality base oils and a balanced additive package
- Maintains system efficiency
- Controls leaks and squeals
- Inhibits oxidation and clogs
- Resists corrosion and wear
- Inhibits foaming

APPLICATIONS

- Use in passenger car and light truck power steering systems
- Automobiles also calling for Honda/Acura PSF

SPECIAL HANDLING, NOTICES OR WARNINGS

Handle as you would any petroleum product

TYPICAL CHARACTERISTICS

Super S Premium Power Steering Fluid		
<i>Properties</i>	<i>Test Method ASTM D-</i>	<i>Data</i>
Gravity, °API	1298	23.2
Flash Point °C/°F,	92	171/340
Density (lb/gal)		7.47
Color	1500	1.5
Viscosity	445	
cSt @ 40°C		45
cSt @ 100°C		6.3

Typical test data are average values only.

Minor variations which do not affect product performance are to be expected during normal manufacturing.
