Super S Extended Life HD Truck Antifreeze & Coolant

Features/Benefits

- Improved performance
- 600,000 miles or 12,000 hours of service
- Excellent heat transfer properties
- Less maintenance and reduced costs
- Silicate free formula reduces seal wear
- Improved water pump seal life
- No regular SCA (Supplemental Coolant Additives) or testing required
- Contains a special long life inhibitor complex for extended drain life
- Contains Bitterant for animal and child protection

Recommendations

Super S Extended Life HD Truck Antifreeze & Coolant is suitable for use where the following specifications are recommended:
- ASTM D3306, D4985, D6210
- Caterpillar EC-1
- Cummins
- Volvo
- Detroit Diesel
- Navistar
- TMC RP 329
- TMC RP 338

Super S Extended Life HD Truck Antifreeze & Coolant Pre-Diluted 50/50 is suitable for use where the following specifications are recommended:
- ASTM D 4656, D5345, D6210
- TMC RP 329
- TMC RP 338

Applications

Super S Extended Life HD Truck Antifreeze & Coolant is a fully formulated engine coolant suitable for heavy duty diesel engines found in on-road, off-road, marine, farm, mining and construction equipment.

Special Handling, Notices or Warnings

Take precautions when handling all chemicals. Specifically, the workplace must be well ventilated and safety glasses should be worn at all times. Avoid skin contact. These products contain bitterant, which reduces the chance of accidental ingestion. The products are based on monoethylene glycol and should be kept away from children and animals to prevent exposure.
