SEA-WASH® SUPER 7

SEA-WASH® SUPER 7 is 100% concentrated product that has a neutral pH allowing to be used on sensitive surfaces. This concentrate can be diluted to your cleaning needs. SEA-WASH® Super 7 is designed as an all-purpose cleaner and used in floor cleaning equipment. The formulation allows owners of metal parts cleaning equipment to safely and efficiently clean dirt, mold, algae, oil, grease, and other soils from the surface of all metals, plastics, and other materials. Although metal will be exposed to the elements after the paint is removed, SEA-WASH® Super 7 will prevent the metal from rusting.
